Perlitter, we are counsel to Stratford University as you know. Dr. Shurtz has just sent to me the Council's letter of today's date with additional stipulates. Would you please send me the YouTube video and emails that are being referred to in the letter. It is critical that we understand what ACICS is in receipt of to enable the University to properly respond and quickly respond. In light of the emergency action that the Council is taking to require the University to cease all new enrollments, please send me the video and emails today, if possible.

Please let me know if you have any questions.

Regards, Peter
